

Draper® Video Wall Mount Solutions

Video Wall Mount

A simple and cost-effective way of building a video wall close to the wall. **PW010001**

Portrait Video Wall Mount

Simple setup and exact alignment of portrait oriented displays in video wall arrays. **PW010003**

XL Video Wall Mount

For larger screens, modular design offers easy and secure mounting. **PW010010**

Multi Display Wall Rail

Perfect low alignment for video walls with one long mounting rail versus multiple smaller rails.
(1 RAIL) **PW010016**
(2 RAILS) **PW010006**

Extendable Video Wall Mount

A premium solution with the convenience of extendable displays for service. **PW010020**

YES, DRAPER IS A MOUNT COMPANY!

If you don't think of Draper as a mount manufacturer, think again! In fact, Draper owns SMS™ *Smart Media Solutions*, a Sweden-based manufacturer of mounts for a variety of applications.

Draper offers several models of SMS mounts that make it easy and affordable to build impressive video walls for your customers. Draper is also able to provide seismic rated mounting solutions when specified in advance. Please contact your sales team if seismic rating is required for your project.

**FOCUSED ON
INNOVATIVE
SOLUTIONS**
