

BASKETBALL OUTDOOR ADJUSTABLE POSTS

BLACK POWDER COAT FINISH FOR MAXIMUM DURABILITY, LIMITED LIFETIME WARRANTY

SLAM ADJUSTABLE POST SET

- Offers adjustability and durability at an affordable price. A spring-aided design makes one person adjustment virtually effortless.

FEATURES 506991:

- Constructed in a single piece from 4" (102 mm) square 11-gauge tubing.
- Allows the rim height to be adjusted in 6" (152 mm) increments from 10' to 7' (3.05 m to 2.13 m) by means of a removable pin which secures the adjustment handle into a pin bracket.
- Rim can be mounted directly to the extension arm through the backboard to reduce stress on the backboard. Watertight vinyl cap seals out moisture.
- Backboard extends 24" (61 cm) in front of the post when goal is set at 10' (3.05 m).
- Extension distance increases as rim height is lowered.
- Includes 48" x 36" (123 cm x 91 cm) acrylic backboard and outdoor breakaway goal.
- Post is direct buried 36" (91 cm) into concrete footing.

OPTIONS FOR ALL:

- Optional post padding and premium backboard edge pad.

FORCE ADJUSTABLE POST SET

- High-quality system to withstand the toughest play.

FEATURES 506992:

- Constructed of 5" (127 mm) square, $\frac{3}{16}$ " (5 mm) thick post and dual strut extension
- Tubular H-frame and direct goal attachment offers maximum rigidity.
- Crank style adjustment with a double spring assist allows easy adjustment of the goal to any height between 10' (3.05 m) and 6' 6" (1.98 m).
- When set at 10' (3.05 m), backboard has a 4' (1.22 m) extension.
- Post offers welded steel bushings at all pivot points and welded top cap to provide durability.
- Attached to concrete footing via threaded J-bolt anchoring system to allow perfect pole leveling and easy removal.
- Includes a 54" x 36" (137 cm x 91 cm) acrylic backboard and outdoor breakaway goal.
- Indicator shows rim height.
