

DRAPER EASELS

FOR EFFECTIVE VISUAL PRESENTATIONS

Quality easels from one of America's oldest and largest manufacturers of visual communication products. Draper Easels stand rock-solid on wobble-proof legs, fold easily for transport or storage. Numerous exclusive features insure effective, trouble-free visual presentations time after time.

Draper offers the largest selection of paper pad, dry-erase, poster and decorative display easels in the world. From heavy-duty models to decorative poster units, Draper offers easels for every situation. Careful attention to quality, function and appearance, plus an expanded range of decorative finishes, make Draper the world's premier line of professional easels.

In paper pad and writing surface easels, Draper offers two separate standards—DR Series and OP Series. Both are carefully assembled of high quality components with all-riveted construction.

DR Series—Constructed entirely of the highest quality structural grade aluminum alloy. Exclusive features such as a spring-loaded paper pad clamp, ball detent leg locks, hinged pen tray/chart shelf, hinged chart holders and a hinged storage compartment for writing instruments make Draper DR Series Easels the preferred choice of professional presenters.

OP Series—OP Series Easels use many of the same high quality components as the DR Series, and feature a spring-loaded paper pad clamp and ball detent leg locks. These have a trim, fixed pen tray and do not have hinged chart holders or a storage compartment. OP Series Easels feature a rugged, magnetic steel backboard.

QUALITY, FUNCTION AND APPEARANCE

Spring-Loaded Paper Clamp

Paper pad attaches instantly to studs concealed under spring-loaded clamp. Pad is held securely in place—no moving parts to get lost.

Accessory Storage Box

Writing instruments are safely stored in the built-in storage compartment on all Draper DR Series Easels. Latch releases at the touch of a lever.

Ball Detent Leg Locks

Rugged ball detent hinge assembly automatically locks legs in place, releases at the touch of a finger. No exposed parts to bend or break.

Rubber Leg Tips

Rubber leg tips keep your easel firmly in place on any floor—won't "walk" when you write.

Hinged Pen Tray

Hinged tray holds markers, eraser and charts. Folds flat for transport or storage. Standard on DR Series Easels. No protruding parts to break or to damage other equipment.

Fixed Pen Tray

Narrow profile for transport or storage, yet large enough for markers, pointer, eraser or charts. Made of heavy-gauge steel. Standard on OP Series Easels.

Hinged Chart Holders

Aluminum arms fold down to support a hefty 80 lbs. of posters or charts. Arms fold flat when not in use. Standard on DR Series Easels.

Finishes

These finishes are available for many of the products in our Easel line.

DRAPER EASEL MODELS

PAPER PAD EASELS

Quality, durable Paper Pad Easels available in both DR and OP Series (see page 58 for details). Draper Paper Pad Easels offer a 28" x 38" panel to accommodate all standard easel paper pads. They fold from 70" height to a compact 28" x 38" x 2". Finished in tough epoxy powder coat or attractive brushed anodized aluminum.

WRITING SURFACE EASELS

All the quality and convenience of Draper Paper Pad Easels, plus a built-in white porcelain on steel writing surface. Available in both DR and OP Series (see page 58). The surface is smooth, framed on all four sides and have no visible fasteners. Use it with a paper pad for prepared presentations or to preserve notes; without paper for impromptu "chalk-talks". Chip-proof porcelain wipes clean instantly, never discolors. Useful for magnetic displays, or as a paper pad or poster easel.

HEAVY-DUTY PAPER PAD AND WRITING SURFACE EASELS

The world's toughest easels, designed and built to perform time after time—and keep their good looks. Heli-arc welded 1" square tubular aluminum frames and sturdy aluminum backboards.

POSTER EASELS

Lightweight yet rugged tripod easel can be used for posters or paper pads. Hinged chart holders are attached to sturdy aluminum legs at four different heights for poster display. Spring-Loaded Chart Clamp (standard on select models) attaches without tools, accommodates standard easel paper pads.

Decorative Poster Easels—Make an impression in hotel and restaurant lobbies, art galleries, museums, theatres—even shopping malls. Just under 5' tall, this solid brass easel is fully lacquered to prevent tarnishing.
