

EZ Fold® 503145

Official 72" x 42" x 2" Rectangular
Fiberglass Basketball Backboard by

Specifications—EZ Fold 503145

Official 72" x 42" x 2" Rectangular Fiberglass Basketball Backboard

Product Description

503145 Backboard shall be official size 72" x 42" x 2" rectangular shaped with permanently silk screened 2" wide orange perimeter and target area markings. Backboard is molded from fiberglass with a tensile strength of approximately 10,000 PSI and with approximately 25% fiberglass content by weight. Backboard has structural ribs and a heavy outer flange to provide maximum rigidity. Backboard is completely weatherproof for indoor or outdoor use in all climates.

Backboard has eight (8) 3/8-16 x 1" deep molded in threaded steel inserts that are located for standard fan backboard (20" h x 35" w) mounting. Factory drilled goal mounting holes (4) will accept standard 5" (horizontal) x 5" (vertical) or 5" (horizontal) x 4-1/2" (vertical) centers.

Lifetime Limited Warranty

Backboard shall be covered by a Limited Lifetime Warranty when installed on a Draper EZ Fold basketball backstop with Goal Brace or Direct Mount Height Adjuster. Contact Draper to request full warranty text.

Optional 503253 Backboard Safety Padding

Optional padding shall protect bottom and 15" up each side of the backboard to meet all NCAA, NFHS, and professional requirements. Padding is a durable neutral gray, open cell foam material providing full 2" thickness from the bottom and sides of backboard frame. Front and back surfaces of backboard frame shall be further protected by a 1" thick lip extending 3/4" up from bottom and sides of backboard.

Padding shall be secured to the backboard frame by an easily applied high strength glue. Glue and brush provided.

Optional 5032XX Backboard Safety Padding

Molding process produces a super tough "skin" on the outside of the foam padding for long life. Pad has pre-molded square corners for improved player safety. Molded-in steel track and bolt-on attachment system eliminate frustrating re-gluing or taping. 5032XX pads fit all official sized rectangular glass and Fiberglass backboards.

Meets or exceeds all NCAA and High School Federation specifications. 5032XX pad is available in NCAA-approved gray color or optional Dark/Royal Blue, Red/Scarlet, Navy, Marine/Columbia Blue, Kelly Green, Yellow/Gold, Forest Green, Orange, Purple, Black, and Maroon.

10-year warranty when installed indoors.

*Most ribs removed from rear view for clarity.
