

EZ-Fold® 503156

Official 72" x 48" Rectangular Glass Backboard with Strut

SUBMITTAL & TECHNICAL INFORMATION

Product Description

503152 Backboard shall be 72" x 48" and meet all NCAA and NFHA requirements, for use as replacements on Wall Mounted, Double Drop or other four corner mount backstops with existing 72" x 48" Backboards

Backboard frame of a heavy, brushed aluminum extrusion for maximum durability. Extended frame section of high tensile aluminum (6063-TS). Ends of the frame extrusions mitered and fitted with a flush, plated steel gusset type mounting bracket on all four corners, incorporating keyhole slots for mounting the backboard to the support structure at standard mounting centers.

Frame shall include a vertical center strut to transmit undue loading during slam-dunks, etc. directly through the glass and into the strut frame to alleviate stress on the glass.

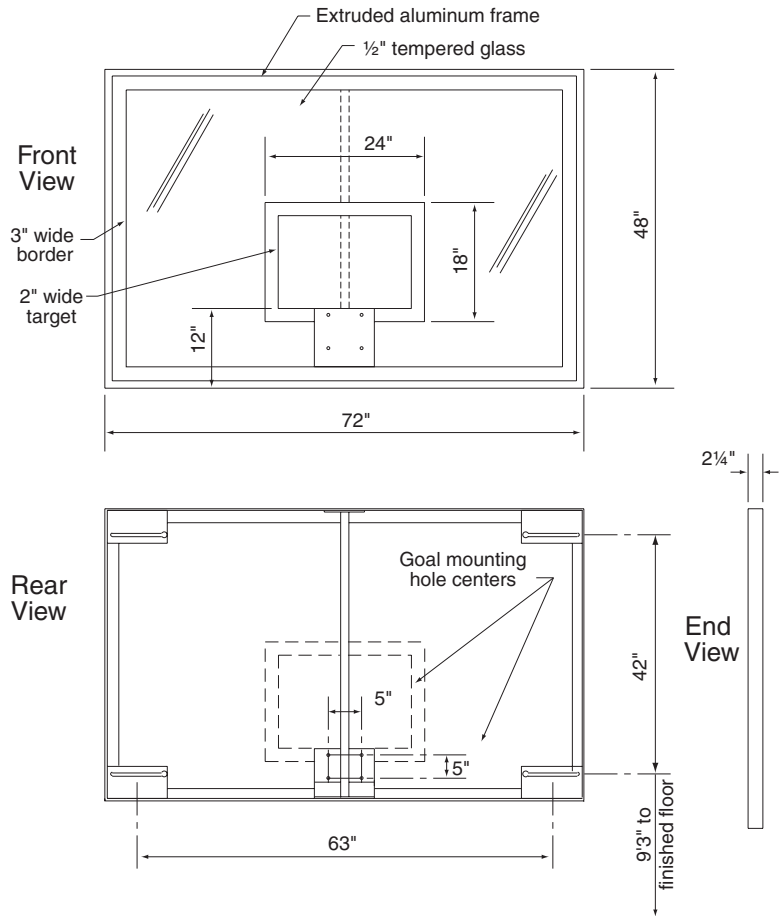

Goal mounting structure of a heavy, formed steel assembly which is secured to the lower horizontal frame member to minimize stress on the glass section. Special steel sleeves provided at the goal mounting hole locations to secure rear structure to front mounting plate to form a unitized assembly to minimize shock to the glass. Entire frame including goal mounting structure fitted with a shock absorbing neoprene material to cushion and protect the glass section.

Glass 1/2" thick, fully tempered (heat-treated) glass section with uniform load and impact strength. Class A and CPSC standard 16 CFR 1201 Category II. Official white border and target area is "fired in" permanently on front side of glass section so that it cannot wear away.

Goal mounting holes (4) to be standard 5" (horizontal) x 5" (vertical) mounting centers. 503156 is not compatible with a direct goal attachment.

Backboard net weight shall be 220 lbs.

Please Note: 72" x 48" Backboards should not be used for new construction or major renovations. All basketball sanctioning bodies require or recommend the use of 72" x 42" backboards for new installations or replacements.

Specifications - Lifetime Limited Warranty

Backboard shall be covered by a Lifetime Limited Warranty when installed on a Draper EZ Fold basketball backstop with Goal Brace or Direct Mount Height Adjuster. Contact Draper to request full warranty text.

Optional - 5032XX Backboard Safety Padding

Molding process produces a super tough "skin" on the outside of the foam padding for long life. Pre-molded square corners for improved player safety. Molded-in steel track and bolt-on attachment system eliminate frustrating regluing or taping. Fits all official rectangular glass backboards.

Meets or exceeds all NCAA and High School Federation specifications. Available in NCAA-approved gray color. Also available in Dark/Royal Blue, Red/Scarlet, Navy, Marine/Columbia Blue, Kelly Green, Yellow/Gold, Forest Green, Orange, Purple, Black, and Maroon.

10-year warranty when installed indoors.
