

# Icon Ace Freestand

Creating a video wall with no wall?

Draper® and SMS™ Smart Media Solutions offer a range of Video Wall Mounts that make it easy to create a stunning video wall.

But what if you don't have an existing wall on which to build it?

**The Icon Ace Freestand** is a stable and reliable freestanding modular video wall that requires no separate supporting wall structure.

### The Icon Ace Freestand

- **Modular:** Mount multiple Icon Ace Freestands side-by-side to create extra-wide video walls.
- **Stylish:** Perfect for events, retail, and corporate.
- **Easy to assemble:** Minimal components.
- **Precise alignment:** Fine X/Y/Z axis control.
- **Adjustable** height and width.
- **Edge-to-edge** mounting.
- **Secure & safe:** increase safety and reduce theft risk with included screws or padlocks (not included).
- **Configurable** in arrays of 2x2, 3x3, or 4x4 displays.
- **Cladding** available separately.
