

Fine Art for FlatScreens™

Draper is excited to introduce the Fine Art for FlatScreens™

range of products. Fine Art for FlatScreens provides the ability to easily conceal a flatscreen display behind an artisan crafted tapestry, revealing it with the touch of a switch or wireless controller.

Options & Features—Available as a Plug & Play or hard wired system. Plug & Play units ship with built-in RF receiver, 10' power cord, and RF transmitter with wall bracket. Hard wired units can be integrated into existing home automation systems and include one 3-position wall switch.

- Plug & Play version available which requires no electrician for install!
- Standard fascia is white extruded aluminum (paintable), as are brackets and bracket covers.
- The fascia and bracket covers may be painted or covered with wall paper or vinyl wall covering. The brackets will accept your curtain rod or dowel up to 3/4" diameter for customer's cloth valance in lieu of fascia.
- Optional hardwood fascia available in four styles and seven finishes, in addition to optional laminate fascia.

PictureWeave®—Create a custom tapestry from your favorite photo, graphic or corporate logo.

Complete instructions for PictureWeave® may be found at:

www.draperinc.com/fineart/pictureweave.htm.

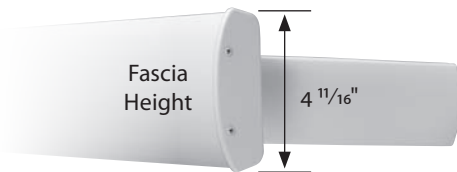

Replacement Tapestries—Tapestry is factory mounted to roller with hook and loop, allowing you to easily change the tapestry at any time. Replacement tapestries ship with hook portion of hook & loop for easy attachment to roller by user. Additional tapestries may be ordered initially or in the future.

Optional Hardwood Fascia—Optional hardwood fascia to replace standard aluminum, with sizes available in 60" and 72" widths. Finishes include Natural Maple, Natural Cherry, Light Oak, Medium Oak, Walnut, Medium Cherry and Mahogany. Available in Rectilinear, Radius, Bevel and Traditional styles. Select finish and style desired. Custom color stain—\$50 upcharge.

Optional Laminate Fascia—Optional laminate fascia is also available. Colors include White, Dove Grey, Black, Burgundy, and Beige.

Patent Pending

Standard Aluminum Fascia Dimensions

Available in 60" and 72" widths

Optional Hardwood or Laminate Fascia

Dimensions PRICE

6" x 60" \$167

6" x 72" 195

Natural Wood

Finishes—The unique beauty of natural wood means that the color of your Fine Art for FlatScreens fascia may vary from printed reproductions and even from the samples Draper can provide representing our standard species, stains, and finishes. If you are seeking to match existing furnishings, please request custom stain matching and provide a physical sample for best results.
