

SMS Mounts for LCD/DLP Projectors—

Draper redefines projector mounts with a bracket—stylish in appearance—that complements the latest generation of LCD and DLP projectors. Mount offers 30° pitch, 30° roll and 360° yaw at ball joint. Silver finish.

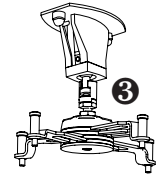

SMS Low Profile Mount—Fixed mount attaches projector to lift. Designed to work inside Draper's LCD Lift, Scissor Lift, Micro Projector Lift, AeroLift or attach to ceiling. Total height of SMS Low Profile Mount and SMS Universal Bracket* is 4⁷/₈". Ball joint adjusts infinitely up to 30° pitch, 30° roll and 360° yaw. Maximum load—26 lbs. Price includes SMS Universal Projector Bracket*. ❶

SMS CLF 80 Projector Mount—Fixed extension mount for installations close to the ceiling. Places top of projector approximately 6" from ceiling. Unique ball joint with twist-lock engagement installs in seconds and locks in place. Price includes SMS Universal Projector Bracket*. Silver finish. Maximum load—26 lbs. ❷

SMS CLV Adjustable Projector Mounts—For ceiling installations—five sizes available. One screw adjusts column length. Races for cable management are concealed by "peel off" moldings, on each side of the column. Inner column is infinitely adjustable within the specified range. Price includes Universal Bracket*. Silver finish. ❸

These prices include ceiling plate, column and Universal Projector Bracket—everything you need!

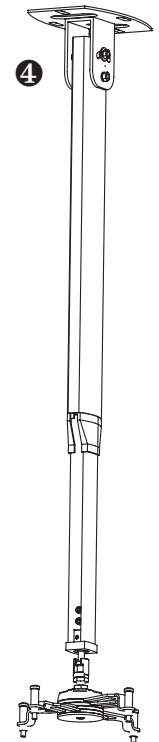

SMS Model Name	Part No.	Range of Adjustability	PRICE	Shipping Wt./lbs.	Freight Class

CLV 1050-1300	232173	43" – 52 ⁷ / ₈ "	337	9	50 U

*Height is not adjustable.

Optional Accessories

Description	Part No.	PRICE	Shipping Wt./lbs.	Freight Class
SMS Inner Column Trim (Grey)	232460	\$16.00	1	50 U
SMS Outer Column Trim Ring (White)	232459	16.00	1	50 U
Security Lock Kit—6' cable, key lock, flexible adhesive pad and microslot lock to keep your projector safe and secure.†	232076	83.00	2	50 U

†No system can guarantee complete security, but the Security Lock Kit is an excellent deterrent.

Universal Projector Bracket—

Draper has solved the projector bracket problem with a bracket that fits virtually any LCD/DLP projector. The SMS Universal Projector Bracket is furnished with two sets of horizontal bracket arms—four long and four short—and four vertical spacers to level bracket on projectors that have mounting holes on different elevations. It comes with all the hardware and spacers needed to adjust for an uneven projector surface. You can mix and match bracket arms as needed to fit your projector. Infinite adjustability enables you to find and secure the projector's center of gravity in seconds, so projector will hang level. **The SMS Universal Projector Bracket is standard with all projector mounts. ❶**

The SMS Universal Projector Bracket fits the vast majority of LCD/DLP projectors designed for inverted mounting with threaded mounting holes with a maximum load of 26 lbs, and accommodates more than 90% of projector installations. If unsure, refer to <http://www.draperinc.com/go/UniversalProjectorBracket.htm> or call us at 800-238-7999.

Freight Class Key

Number LTL freight class
 U Regular UPS
 + \$6 surcharge (over 60" long)
Example: a freight code of 125 U+ indicates an item that may ship as freight class 125 or via UPS with a \$6 surcharge.
