

Scissor Lift SL & SLX

Draper's Scissor Lift accommodates most projectors and is available in 14 models. Select a model based on the maximum lowering distance needed for easy access for servicing. Factory-

set "show" position may be specified at the time of order or easily adjusted in the field. Three sets of scissors—left, right and rear—stabilize projector laterally and front-to-back. 220v available.

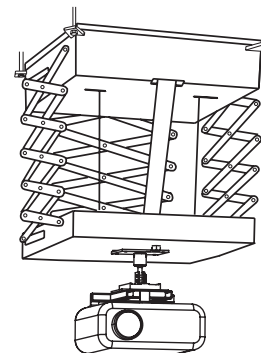

Note: Scissor Lift orders require a completed planning sheet. Please visit <http://www.draperinc.com/go/ScissorLiftPlanSheet.htm> for downloadable copies.

Options: See page 84 for control options.

U.S. Patent Number D395,909.

Model	Part Number	Max. Lowering Distance	Retracted Height ¹	PRICE	Shipping Wt./lbs.	Freight Class
