

## Obion by 3-G Mermet—

Room darkening fiberglass base material with acrylic flocked backing. Looks similar to FLOCKÉ, but with a softer feel. Anti-static treated. Rot proof. White exterior with a choice of 4 interior colors. Slight visible transmittance of light with the colors Sahel and Blanc—each has a slight translucency, but the look of an opaque material. 78" roll width. 10.03 oz./sq. yd., .018" thick. Fire rating: NFPA-701, both small- and large-scale tests, TM#1/California U.S. Title 19. Not for SKYLIGHT FLEXSHADES. Seams and slat hems sewn, not heat sealed. Approximate openness factor is 1%.
