RETURN POLICY

Below please find the Somfy Systems Inc. return policy for AC motors, DC motors, WireFree™ motors and electronic accessories.

Somfy warrants its products to be free from defects in material and workmanship under normal and proper use for a period of five years starting from the date stamped on the motor. Drapery motors, mechanical, electrical and electronic accessories excluding batteries are warranted for five years from date of invoice.

Process

- The customer must contact Somfy Systems, Inc. and obtain a return authorization form. A return authorization number (RA #) will be issued upon completion and submission of the return authorization form.
- The RA # should be requested for either Return for Credit or Return for Repair/Replacement
 - A Return for Credit would be issued when product is ordered or received incorrectly and requires an invoice number. The product should be in its original packaging and not have been used. In this instance, upon analysis a credit may be issued. This type of return authorization number (RA #) is only issued for new unused product. A 15% re-stocking fee will be applied to product ordered incorrectly. Somfy requests this RA # be referenced on the outside of the box. The return authorization form must also accompany the returned goods. Products not listed on the return authorization form will not be accepted and will be returned.
 - A Return for Repair/Replacement would be issued when product is being returned due to a defective nature. Somfy requests this RA number be referenced on the outside of the box. The return authorization form must also accompany the returned goods. Products not listed on the return authorization form will not be accepted and will be returned.
- All returns for Somfy product must be shipped to: Somfy Systems, Inc. 121 Herrod Blvd., Dayton, NJ 08810. All returns for Simu product must be shipped to: Simu U. S. Inc. 6100 Broken Sound Parkway, Northwest Suite 14, Boca Raton, FL 33487. Somfy and Simu will no longer accept product returns at regional offices or through sales representatives.
- It is the customer's responsibility to ensure that all products returned to Somfy are packaged in a manner that prevents damage to the product during shipment. Use of original packaging is recommended. Under no circumstances will Somfy be responsible for product damaged due to poor packaging or shipping methods.
- Somfy will analyze each motor*. Upon analysis, Somfy will repair or replace the defective product. If no problem is found, the original product will be returned to the purchaser.
- The return shipment is prepaid into Somfy by the purchaser, while Somfy pays the shipment back out to the purchaser. Somfy will pay the return shipment at the same level of service that the product is returned.

Any questions or concerns, please contact your local Somfy Regional Sales Manager or Field Service Representative.

*In order for a more thorough analysis please provide a brief description of the symptoms taped directly to the motor.

Somfy warranty information is available at www.somfysystems.com
