

PORTABLE SCREEN Diplomat R

Diplomat R with carpeted case.

NOTE: Limited part numbers remain available, and most supported sizes are stocked.

- A heavy-duty tripod that combines the simplicity of design with rugged components, the Diplomat R portable projection screen is engineered to handle repeated set-ups and tear-downs. Housed in a steel reinforced case, it can withstand the rigours of shipping, as well as traveling tours, events, conventions, presentations, or rental applications. It features easy set-up and one-hand case adjustment. Black carpeted case hides dents and scratches.

FEATURES

- Reinforced roller and steel endcaps to handle the rigours and abuse of shipping and rental applications.
- Suspension slat saddle in all sizes maintains a flat viewing surface.
- Exclusive Bell Leg Lock protects the sturdy gabled aluminum legs during storage and transportation.
- Includes scratch-resistant, reinforced steel case with black carpet that hides scratches and dents.

CONSIDER UFS LITE IN PLACE OF DIPLOMAT R

Upgrade to **Ultimate Folding Screen Lite** for a flatter viewing surface, faster setup, and superior performance with ultra-short throw projectors. Integrated legs and a compact folding design make transport and setup easier than traditional tripod screens.
