

PORTABLE SCREEN Traveller

FLOOR OR TRIPOD MODELS FEATURING QUICK, EASY SET-UP, DURABILITY

■ This lightweight, portable projection screen offers a clean, simple design with a black “rise” below the image area. An infinitely adjustable telescoping mast provides fast, easy set-up by locking with a twist to position the screen at the desired height on the floor or tabletop making the Traveller ideal for hotels and meeting rooms. The durable, self-contained, extruded aluminum case with a black powder coat finish and built-in carrying handle provides easy transport.

Designed to withstand the rigors of travel and repeated use.

FEATURES

- Includes ¾" (19 mm) black borders and 30" (76 cm) black “rise” to clear a standard tabletop.
- Lightweight, portable projection screen, 50" (127 cm) size weighs 14 lb (6 kg).
- Self-contained extruded aluminum case with black powder coat finish and built-in handle.
- Upright telescoping support that locks the screen at the desired height.
