

VOLLEYBALL Steel Volleyball System SVS

CEILING SUSPENDED, FORWARD-FOLDING, FRONT BRACED

Steel Volleyball System Photography: Wayne Williams, Indianapolis, IN

- An economical option for programs on a budget, this system incorporates all of the quality features of our Power Volleyball System. The telescopic steel post provides rigidity and allows users to rapidly obtain the desired net tension. The heavy-duty tensioning winch features a self-locking, worm gear mechanism with a high tensile strength nylon strap and heavy-duty snap for safe connection to the net-top cable. Winch includes a folding handle for added security and player safety. Can be hung on a wall with hooks, stored on optional transporter, or tucked away in a closet.

SINGLE SVS: 500021
DOUBLE SVS: 500022

FEATURES

- Meets all NFHS, USA Volleyball, NCAA, and FIVB requirements for competition equipment.
- Height adjustment from 6'1" to 8'4" (1.85 m to 2.54 m) in 1" (25 mm) increments. Adjusts to all competition heights.
- Rope tensioner holds bottom of the net taut.
- Secure cast-in-place 3 1/2" (89 mm) ID floor sleeves with choice of flush cover plates.
- An adjustable rubber protective bumper on each upright offers fine adjustments and protection of your court.
- Durable high-gloss black powder coat finish.

OPTIONS

- **500021** Includes one pair of telescoping uprights, net, and combination antennae/boundary markers. Power winch located on the outside of one upright. Second upright equipped with tie down cables and adjustable collar.
- **500022** Two court system includes three uprights, two nets, two rope tensioners, two pairs of combination antenna/boundary markers. Power winch located on outside of two posts. Center upright equipped with double top pulleys and adjustable anchor collar to attach two nets.
- Optional upright protective pads available. Dark blue standard; other colors available.

FLEX-NET UPGRADE KIT

500018 The Flex Net has only two connecting points on each side by placing all tension on the heavy-duty woven nylon strap top and bottom bands to supply superb net tension and eliminate extra cables, straps and tie offs. Kit comes complete with net and all adaptor cables to fit most volleyball systems.

Available for EVS, PVS, CVS, and SVS systems.
