

BASKETBALL ACCESSORIES HEIGHT ADJUSTERS

MOTORIZED HEIGHT ADJUSTER

MANUAL HEIGHT ADJUSTER

PORTABLE HEIGHT ADJUSTER OPERATOR

MOTORIZED HEIGHT ADJUSTER

- For rectangular or fan-shaped backboards and goals, the Motorized Height Adjuster features direct goal attachment and designed to mount to virtually any style of backstop structure.

FEATURES

- Linear actuator with cam style limit switches that allow 24" (61 cm) of travel.
- Provides smooth reversible motion for loads up to 600 lb (272 kg) and adjustable nylon guide bolts that allow user to minimize movement between slip tubes.

OPTIONS

- Available with standard key switch or other control options specified and sold separately.
- 115-volt, 1/10 HP, single-phase gear-motor type linear actuator.

MANUAL HEIGHT ADJUSTER

- For rectangular or fan-shaped backboards and goals, the Manual Height Adjuster features direct goal attachment. It is designed to mount to virtually any style of backstop structure.

FEATURES

- Operated with a removable awning-style crank handle and actuated via a 3/4" (19 mm) –6 Acme threaded rod.
- The actuator rod assembly is bolted in place and easily removed for conversion to electric operation.
- Manual height adjuster frame assembly is jig welded and factory assembled to insure precise alignment and smooth operation.
- Adjustable nylon guide bolts provided to allow user to minimize movement between slip tubes.

OPTIONS

- Compact cordless Portable Height Adjuster Operator available.

PORTABLE HEIGHT ADJUSTER OPERATOR

- A compact, reversible, cordless drill style winder that makes the operation of manual height adjusters safe and simple.

FEATURES

- Crank Hook is fabricated using 1/2" (13 mm) diameter round stock and has a black powder coat finish.
- Flat sides at the bottom to insure it does not rotate in the drill winder's chuck.
- The end is formed into a hook that securely fits into the loop at the end of the threaded rod assembly on all Draper Manual Height Adjusters.

OPTIONS

- Includes auxiliary handle, carrying case, charger, and two one-hour batteries.
- Includes 48" (121.9 cm) long crank hook.
- UL listed.
