

# PROJECTOR LIFT REVELATION LIFT MODELS A, B

CEILING MOUNTED/INSTALLED, LOWERED WHEN IN USE

Product: Revelation Projector Lift and Access V Screen., Navel Base at Gulfport, MS., Photography: Jim Bramblett.

- The Revelation Model A and B conceals the projector and noise above the ceiling, providing a quiet presentation. This unique lift hides the projector and utilizes two mirrors that reflect the image onto the screen. The only visible element is a hinged door in the ceiling. Model A is designed to accommodate smaller projector sizes. Model B is designed to accommodate larger projector sizes.

Optional accessories such as environmental airspace housing isolates and secures your lift and projector from the space above ceilings.

## FEATURES

- 110 and 120 Volt.
- Two sizes available, models A and B.
- Replicates positioning of projector right below ceiling line.
- Can be installed to match a 2' x 2' (61 cm x 61 cm) ceiling grid.
- Wall switch standard.
- WARRANTY: One year against defects in materials and workmanship.

## OPTIONS

- **A or B Controls:** IR or RF remote control, or integrate into your control system.
- **A or B Accessories:** Glass shield, Microclear cleaning kit, Ceiling access door.

## SIZES
