

LIFTS AND MOUNTS Micro Projector Lift

CEILING MOUNTED/INSTALLED, LOWERED WHEN IN USE

Products: MPL and Access V Screen, Private residence, Greensboro, GA
Photography: Joseph Hilliard Elkhart, IN.

■ The Micro Projector Lift utilizes an exclusive three-scissor design to provide lateral and front-to-back stability for the projector. It features a maximum 35-pound lifting capacity with extension positions for show and service to provide ease-of-access for projector maintenance. It requires only a minimal amount of overhead ceiling space for installation.

Optional accessories such as environmental airspace housing isolates and secures your lift and projector from the space above ceilings.

FEATURES
