

LIFTS AND MOUNTS Revelation A and B

CEILING MOUNTED/INSTALLED, LOWERED WHEN IN USE

- The Revelation conceals the projector and noise above the ceiling, providing a quiet presentation. This unique lift hides the projector and utilizes two mirrors that reflect the image onto the screen. The only visible element is a hinged door in the ceiling. Models A and B are available to accommodate different projector sizes.

Optional accessories such as environmental airspace housing isolates and secures your lift and projector from the space above ceilings.

FEATURES

- Replicates positioning of projector right below ceiling line.
- Can be installed to match a 2' x 2' (61 cm x 61 cm) ceiling grid.
- Wall switch standard, optional IR or RF remote control, or integrate into your control system.
- WARRANTY: One year against defects in materials and workmanship.

OPTIONS

- Optional Environmental Airspace Housing to isolate projector from environmental airspace above ceiling.
- Optional glass shield—anti-reflective glass isolates projector from room.
- Optional IR or RF remote control, or integrate into your control system.
