

# LIFTS AND MOUNTS Scissor Lift SLX

CEILING MOUNTED/INSTALLED, LOWERED WHEN IN USE

Service Position

Show Position

- Scissor Lift SLX supports larger, brighter video projectors and has a 350 lb lifting capacity, making it an ideal option for heavier projectors. It comes equipped with 3 sets of scissors for lateral and front-to-back projector stability. The longer extension positions make it easier to maintain the projector during shows and service.

Optional accessories such as environmental airspace housing isolates and secures your lift and projector from the space above ceilings.

## FEATURES

- Installation of factory installed cables for video and projector control available.
- Six models available:
- Supports brighter video projectors (up to 12 amps).
- Wall switch and service key switch standard.
- Entire product is UL Listed to meet strict building code requirements for products recessed above the ceiling.

## WARRANTY
