

ELECTRIC NOCTURNE+ E®

FREE-HANGING, EXTERIOR PROJECTION SCREEN

Take your entertainment outdoors with an easy-to-install electric projection screen. A design based on customer input makes the Nocturne+ E ideal for outdoor entertainment on a patio, pool deck, or other outdoor venue. With a headbox engineered to be weather and insect resistant, the Nocturne+ E is a great way to transform any outdoor living space into nighttime entertainment.

This free-hanging, fiberglass-backed projection screen maintains flatness thanks to the weight of the screen and bottom dowel.

FEATURES

- Floating wall brackets grip the screen securely anywhere along the back of the case for ease of installation.
- Insect and weather resistant aluminum headbox; includes a built-in hinge for ease of installation and service.
- In coastal applications near salt water, some deterioration of the operator and bracket components may occur.
- Cable guides included for secure operation in wind (secures hem bar only, not fabric).
- Weighted hem bar to stabilize viewing surface during operation.
- Projection screens in outdoor spaces should be retracted in windy conditions.
- Quiet motor is standard.
- WARRANTY: One year against defects in materials and workmanship.
