

# MANUAL SILHOUETTE C

CEILING- OR WALL-MOUNTED, TAB-TENSIONED

- A contemporary design and sleek, slender dimensions, are featured on this projection screen. A detachable crank handle enhances screen security by limiting access making it perfect for educational or commercial settings.

## THIS SCREEN IS TAB-TENSIONED

RF welded tabs eliminate stickiness and tab separation. Tabs warranted against separation for five years. Tab-tensioned screens provide a perfectly flat viewing surface with better image quality.

## FEATURES

- Black drop standard, depending on screen size. Extra drop above image area available upon request.
- Crank-operated projection screen. Polished aluminum crank handle, matched to screen height, is removable when not in use.
- Curved aluminum case finished in white with matching endcaps. Black is available upon request.
- Front section of case removable for easy access for maintenance or service.
- **WARRANTY:** One year against defects in materials and workmanship.

## OPTIONS

- **Viewing Surfaces:** TecVision®, OptiFlex™ (tensioned), CineFlex™ (rear projection), and ClearSound™ (acoustically transparent) families.
