

PORTABLE FOLDING TRUSS-STYLE CINEFOLD

SPECIAL L-BRACE ALLOWS FOR SUSPENSION OF SCREEN

Union Station, Indianapolis, IN.

■ Features an extra rigid truss-style frame that accommodates large audience presentations. Engineered with special frame stiffeners, heavy-duty leg stabilizers, and anti-sway stabilizers to provide extra reinforcement and durability. The screen snaps onto the perimeter frame for easy assembly to provide a flat viewing surface for better image quality. Truss-Style Cinefold combines the simplicity of design with rugged components that withstand the rigors of repeated set-ups and tear-downs making it ideal for auditoriums.

Portable folding screens are engineered for easy assembly and to withstand the rigors of long term use. Screens remain taut and flat when attached.

Includes heavy-duty, molded polyethylene wheeled carrying case.
