

# CAMERA MOUNT Video Conferencing Camera Adapter Bracket

LEFT: Adapter bracket  
RIGHT: VCC Adapter installed

- The Video Conferencing Camera Adapter Bracket enables the simple installation of the video conferencing camera of your choice into four of the most popular Draper® video projector lifts: AeroLift 35, AeroLift 100, Micro Projector Lift, and the SL Scissor Lift. All are designed to safely conceal your camera above the ceiling line when not in use and lower it quickly and quietly into position for video conferencing. It's the perfect solution when a ceiling-recessed camera is needed.

## FEATURES

- Simple installation of the video conferencing camera of your choice into the most popular Draper video projector lifts.
- Safely conceal your camera above the ceiling line when not in use.

## OPTIONS

- Special brackets available for oversize or dual camera installation.
