

CAMERA LIFT Video Conferencing Camera Lift, Credenza

TABLE MOUNTED, RECESSED

■ The Video Conferencing Camera Lift - Credenza (VCCL) conceals a videoconferencing camera in a credenza, cabinet, or table. This lift installs in virtually any conference room furniture. The lift raises the camera into position when it's time for a video conference. When concealed, your videoconferencing camera is protected and out of sight. Available in Model A and Model B to accommodate almost any video conferencing camera.
