

ELECTRIC Artisan E

FREE-HANGING, CEILING- OR WALL-MOUNTED

■ A stylish solution for any home theater or business environment, the Artisan E wall- or ceiling-mounted, electric projection screen offers the beauty of natural wood. It features either a solid, hand-rubbed hardwood or plastic laminate case with an array of colors and finishes, or custom color matching to the existing interior decor. There are several case style options to choose from, making this projection screen an attractive addition to any home or commercial setting.

THIS SCREEN IS FREE-HANGING
Free-hanging, fiberglass-backed projection screen maintains flatness thanks to the weight of the screen and bottom dowel.

FEATURES

- NTSC, HDTV, and 16:10 format have image area framed with black on all four sides. Black side borders are available on request for AV format screens.
- Black drop standard, depending on screen size. Extra drop above image area available upon request.
- Mounts flush to the wall with Z-clips or suspends from the ceiling with no exposed screwheads or mounting brackets.
- Plastic laminate case style is rectilinear.
- Includes one 110-120V, 3-position switch (standard).
- **WARRANTY:** One year against defects in materials and workmanship.

OPTIONS

- Hardwood case styles: rectilinear, radius, bevel, or traditional. Choose from seven solid, hand-rubbed hardwood finishes.
- Choose from five laminate finishes or optional custom finish.
- Custom finishes available.
- Control options are available.
- **Viewing Surfaces:** OptiView™ families.
