- The Artisan V offers quality engineering with style. This screen features either a solid, hand-rubbed hardwood or plastic laminate case with an array of colors, finishes, or custom color matching to the existing interior decor. There are several case style options to choose from making this projection screen an attractive addition to any home or commercial setting.

THIS SCREEN IS TAB-TENSIONED  
RF welded tabs eliminate stickiness and tab separation. Tabs warranted against separation for five years.  
Tab-tensioned screens provide a perfectly flat viewing surface with better image quality.
