

# ELECTRIC Salara Plug and Play

FREE-HANGING, CEILING- OR WALL-MOUNTED

- This electric projection screen presents a small, stylish, elliptical case with built-in IR receiver and IR remote. The electric Salara Plug & Play installs in minutes and requires no hardwiring. Lock and load brackets grip the screen securely to provide easy installation, all while remaining barely visible. Just install the electric screen and plug the power cord into the nearest wall outlet.

THIS SCREEN IS FREE-HANGING  
Free-hanging, fiberglass-backed projection screen maintains flatness thanks to the weight of the screen and bottom dowel.

## FEATURES

- NTSC, HDTV and 16:10 formats have image area framed with black on all four sides. Black side borders are available upon request for AV.
- Black drop standard, depending on screen size. Extra drop above image area available upon request.
- Includes an elliptical case of extruded aluminum, with painted white finish.
- Floating wall brackets grip the screen securely anywhere along the back of the case, and are barely visible.
- No wiring necessary. Includes built-in IR eye, handheld IR remote control transmitter with 10' (305 cm) IEC cordset.
- WARRANTY: One year against defects in materials and workmanship.
