

VIDEO CONFERENCING VCB PARAGON E

UNIQUE SOLUTIONS HELP PROJECT YOUR IMAGE AND AVOID VIEWER DISTRACTIONS

ELECTRIC

Digital sample of actual colors may vary slightly.

- Ideal for any setting that requires a large screen video conferencing background, the ceiling-recessed **VCB Paragon E** features a strong tubular motor-in-roller. The motor is installed on special vibration insulators and provides a smooth, quiet operation making it the choice for effective presentations in large areas, such as auditoriums or churches.

FEATURES

- Includes white extruded aluminum case.
- Includes one 110-120V 3-position switch (standard).
- Motor mounted inside roller, for a trim balanced appearance.

OPTIONS

- Background options available: neutral colors, chroma key, or custom printed graphics.
- Optional black finish case.
- Optional wall-mounting brackets—two brackets with hardware for attachment to case.
- Other control options are available.
