

# VIDEO CONFERENCING VCB SILHOUETTE E, M

UNIQUE SOLUTIONS HELP PROJECT YOUR IMAGE AND AVOID VIEWER DISTRACTIONS

ELECTRIC (E), MANUAL (M)

Silhouette E with Linen neutral background

■ A sleek, curved aluminum case finished in white, the electric VCB Silhouette E features a contemporary design for professional presentations. The background and dowel retract completely inside the case to provide a clean appearance with no exposed fasteners or mounting brackets.

## FEATURES

- Sleek, curved, aluminum case with endcaps white standard, black optional.
- Remove front fascia without tools providing easy access to roller and fabric for service.
- No visible fasteners—hanging brackets are self-concealing.
- Motor mounted inside roller for a trim balanced appearance.
- Wall switch standard.
- Bottom of background enclosed in dowel; dowel disappears inside case when retracted.
- **WARRANTY:** One year against defects in materials and workmanship.

## OPTIONS

### ELECTRIC

- Electric Screen background options available: neutral colors, chroma key, or custom printed graphics.
- Optional extension brackets available.
- Optional IR or RF remote control, or integrate into your control system.

### MANUAL

- Background options available: chroma key or custom printed graphics.
- Spring roller operated background.
- **AutoReturn** spring roller with built-in inertia reduction mechanism ensures viewing surface retracts slowly, smoothly, and quietly into case. Provides intermediate stop positions.
