

MERMET

Restriction of Hazardous Substances (RoHS) Compliance

Test Certificate

Mermet is pleased to confirm that the fabrics listed below were tested at St. Louis Testing Laboratories Inc. following RoHS Regulations (2006): Restriction of Hazardous Substances Directive which restricts the use of lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBB), and polybrominated diphenyl ether (PBDE).

These tests indicate that the fabrics listed below are in compliance with the requirements of RoHS Regulations (2006).
