

# FlexStyle® Motorized Zigbee

BUILT-IN ZIGBEE TECHNOLOGY FOR SEAMLESS INTEGRATION

Choose from nine designer finishes or ready-to-paint primer grey.

somfy®

zigbee

■ Elevate any room décor with the **FlexStyle Motorized Zigbee**. This luxury open roll shade supports two-way intelligent communication for real-time feedback via a smartphone or tablet for easy shade control. Built-in Zigbee technology allows seamless integration and setup, ensuring all products and services work together. Manage natural light and privacy control in your home through TaHoma hub using an iOS or Android device.

## FEATURES

- Open roll shade available in single roller option and can be coupled to reduce number of motors required.
- A connected, quiet 120V/60HZ AC round head motor available in two torque speeds (4Nm/36RPM and 6Nm/24RPM). Compatible with TaHoma hub.
- TaHoma Gateway is required for any Zigbee installation.
- A smart plug is required to create a mesh network. Zigbee high voltage motors repeat the signal, which may result in fewer smart plugs required on a project.
- Self-healing and scalable abilities provide for networks with hundreds of devices.
- Shades can be operated with a remote control, smartphone app or voice commands through Amazon Alexa, IFTTT, Phillips Hue, Josh.ai, Brilliant, and Google Assistant.
- Product designed for interior use.

## OPTIONS

- Designer cast aluminum mounting brackets conceal fasteners in 9 attractive finishes: Brushed Nickel, Brushed Gold, Antique Bronze, and Chrome come with a plated coating. Taupe, Grey, Black, White, and Warm White are painted. Or choose Primer Grey for hardware that is ready for you to paint.
- Choose from hundreds of fabrics in a variety of colors, textures, and opacities to customize any room décor.
- Shades can be customized with graphics, patterns, or custom color matches, including color matching libraries such as Sherwin-Williams® and Pantone®.

## SIZES

- Accommodates a 2 3/4" (70 mm) bundle diameter.
- Minimum shade width is 2' (60.9 cm).
- Maximum shade width is 8' (2.4 m) or wider depending on fabric choice.
