

Make a Statement with Your Window Shades!

You provide the artwork, and Draper will print your logo or graphic on one or multiple shades. We use a high quality, digital four-color process to assure a crisp and clear image.

- Ideal when restrictions are imposed on signage
- Put your logo or ad on the side of the shade facing out, and display it to the world
- Graphic can be printed on either side of shade
- See your Draper representative for restrictions and available fabrics
- Available in virtually any model of FlexShade
