PORTABLE FOLDING TRUSS-STYLE CINEFOLD

SPECIAL L-BRACE ALLOWS FOR SUSPENSION OF SCREEN

Features an extra rigid truss-style frame that accommodates large audience presentations. Engineered with special frame stiffeners, heavy-duty leg stabilizers, and anti-sway stabilizers to provide extra reinforcement and durability. The screen snaps onto the perimeter frame for easy assembly to provide a flat viewing surface for better image quality. Truss-Style Cinefold combines the simplicity of design with rugged components that withstand the rigors of repeated set-ups and tear-downs making it ideal for auditoriums.

FEATURES
- Scratch-resistant truss frame finished in powder coat grey.
- Includes snap-on viewing surface, truss frame and legs with heavy-duty stabilizers, and protective soft case.
- Includes heavy-duty, molded polyethylene wheeled carrying case.
