Technical Data Sheet  
**SS-1R—Single Station Control By Draper**

**USES:**  
The SS-1R is the standard control for all domestic motorized screens.

**COMPATIBILITY:**  
KS-1 Power Supply Key Switch.  
The SS-1R is intended as the sole control station, and cannot be used as a multiple station control. It can, however, be used with the KS-1 power supply key switch.  
**It is not intended for use with any other control.**

**CONTACTS:**  

**RATING:**  
16 Amps, 277 Volts, UL recognized, CSA recognized.
